

What Makes Us The Best Value?

Perks That Are Unprecedented

We Work Hard To Help Your Business Succeed And Thrive.

- We offer a winter networking party every year. We reserve a restaurant / bar, and food and drink are on us. This gives our tenants an opportunity to mingle with tenants from our other buildings to get new customers or form mutually beneficial strategic alliances.
- We also have a yearly summer barbeque at each of the buildings, where the tenants can mingle and socialize.
- Our newsletter features a different tenant each month on the cover. This goes out to our tenants, vendors and is posted on our website. This is great exposure.
- Our website gets thousands of hits each month. We have an entire page on our website dedicated to our tenant's services. Listing their name, phone number and the nature of their business.
